

## **Safety and Wellness Committee Meeting 1/13/2020**

Board Members Present: Jeff Hunsberger, Tina Lowe, Stephanie Sweet, Jan Sander  
Administrators Present: Catherine Gallagher

Call to Order, Approval of Agenda and Public Comment

Cat Gallagher called the meeting to order at 5:36pm. A motion was made and seconded to approve the agenda. The motion passed unanimously. There was no public comment.

Title I Compact: Parental Involvement Policy Discussion: Cat handed out copies of the parental involvement policy. She explained that this policy, in its current form, is written for involvement at the elementary level. Money spent on math and literacy is dependent on parental and student involvement for those enrolled in programs and receiving services. As an example, said math nights in the spring would satisfy the parental involvement requirement.

Cat asked the group to read through the policy and let her know what changes could be made or any comments we may have about revising this to use at the Middle and High School level. We will revisit at the next meeting.

YRBS results are in, Cat will discuss at our regular board meeting.

Jeff suggested we talk at our next meeting about what we as a committee can do to help out where we are needed. Where are the needs? Maybe we bring in Healthy Lamoille Valley to talk to us about needs and strategies for meeting those needs.

There was no other business.

Jan made a motion to adjourn at 5:52, Tina seconded, and the motion passed unanimously.
